Combined Repertory

This unique repertory is provided as standard in all 3 versions of the Cara professional range. It is an ideal repertory for those used to working with the Kentian schema of repertory. The Combined is a concise, compact repertory based on the original Kent's Repertory, Final General edition. Additions were made to the Combined using the same sources as those contained in the Synthetic Repertory. Recognised additions for Carcinosis were also added, as well as those additions suggested by George Vithoulkas.

Proving from the Dynamis School are included - Hydrogen, Scorpion, Chocolate, Diamond, Neon, Iridium, Germanium, Brassica, Eagle. The provings of Limestone, Marble, Granite from Nuala Eusing and the Burren School are incorporated. The provings of Tungsten and Lac Humanum are also incorporated. New remedy provings planned for inclusion are : Fire, Amber, Plutonium, AIDS, Coca-Cola, Falcon, Gila Monster, Polystyrene, Basil, Saguarra, Arizona Lava, Salix Fragilis, Stingray, Kauri Tree, Oak Gall, Positronium, Goat's Milk, Dolphin's Milk and Lion's Milk.

The Combined Repertory will continue to evolve with new provings and additional sources over the coming years.
